

# THE HILTONE

August 1, 1979

Volume 1 No. 6

## *EDITORS NOTE:*

Thanks once again to all who helped with the publication of this issue: Jock Reid, Dave Millner, Block Representatives, contributing neighbors, and especially our President Stu Anderson (whose typewriter is responsible for all of the typos) and Denise Mortimer of the Hiltone staff (both did some great pinch-hitting while this editor was on vacation).

You will notice this time a request for block representatives and if it is possible for you to volunteer, we'd be sincerely grateful for the help.

Just one more reminder of our Block Party on September 8th. Last year was a great success and a really fun day for Hiltonians..... With your support and interest our second annual Block Party could be even better.

Hope to see you there!!!!

Editor

## *From The President*

One of life's little aggravations that I can get upset about are the grass cuttings and shrub trimmings that are dumped in the street by some of our fellow Hiltonians. As was indicated in the last Hiltone, this type of trash must be bagged or placed in a barrel or tied in a manageable bundle.

A few weeks ago, at the association's request, the city made a sweep through our area and picked up these piles of trash. At the last meeting of your association's Executive Committee, they approved the mailing of a letter to any Hiltonian that piles trash in the gutter in the future. If it isn't cleaned up in a reasonable period of time, the offender can expect a summons from the police.

Fortunately, there are only a few neighbors that ignore the rules. The best solution is to do it right the first time. For those of you to whom this message is directed every litter bit hurts. And this is your neighborhood, too.

Stu Anderson

**DON'T FORGET  
THE 2ND ANNUAL  
HILTONIA BLOCK PARTY**

**SATURDAY, SEPT. 8, 1979  
207 BUCKINGHAM AVENUE**

Pauline and Tony Cirillo of Kensington Ave. had a wonderful trip to England during the late spring.

Ross McLeod of Buckingham Ave. will be returning to Cornell in the fall for his second year there. His sister, Bee, plans to attend William and Mary in Virginia.

The Shields family of Kensington ave. have recently returned from a month's vacation at the shore. They were much missed by their neighbors.

## **EXECUTIVE BOARD**

The Executive Committee met on July 26th. Some of the items discussed were the city ordinances, the bike path, the painting of the Senior Citizen's Cottage in the park by Hiltonia volunteers and the upcoming Open House and Block Party.

## **PLUSES AND MINUSES**

The financial activities for the association have been few and far between since the last Hilton. Our total expenses have been exclusively for the Welcome Wagon in the amount of \$49.

Our revenues since the beginning of May have included membership dues for calendar year 1979 from Toni and Ned O'Connor-Welcome!

Speaking of dues--Beginning on August 1, 1979, the Membership Committee will launch its' campaign to collect dues for calendar year 1980 activities. As we have recently reflected in amendments to our Constitution, payment of 1980 dues will provide for voting privilege in the January, 1980 elections. However, they will not qualify a member for officer nominations at the November meeting.---You must be a 1979 dues paying member to be nominated for an office. Please contact Linda Reid at 394-2314 for payment of dues.

### Help Is On The Way

We voted this year to spend a maximum of \$200 for worthwhile civic--oriented projects in our neighborhood and Trenton. At the last meeting, Bob Topper and I were appointed co-chairman to recommend worthwhile projects. At present, we are investigating the possibility of contributing some recreational equipment to the Trenton Senior Citizen Cottage in the park.

The Parks Advisory Committee has also been active in developing some civic-oriented projects which the association could undertake to improve the general condition of the park. At present, we are repainting the exterior of the Senior Citizen Cottage and have several projects proposed which require the investment of time. A better Hiltonia needs your time--2-4-8 hours of effort on your part will all add up to a better neighborhood and City for us all. I'd be very interested in your available time, special skills, or suggestions of worthy projects for the association to undertake

## Special Projects

The Executive Board Has recently formed a Special Projects Committee, a sub-committee of the Program Committee. The purpose of this new committee is to stimulate and promote ideas and projects that would continue to make our community a pleasant place to live, work and play.

In order for this committee to be viable, we need your input. All thoughts are welcomed regarding children activities, volunteer work senior citizen projects, formation of clubs, i.e. bridge club, tennis club, special gatherings, etc.

If you are interested in expressing your ideas so they can be further implemented, please contact me.

## **ADOPT - A - LOT**

The summer maintenance of our adopted lot on Cadwalader Drive is a direct way of expressing interest and caring for our neighborhood.

We wish to thank Bob Topper, Ken Kyte and those who may still remain anonymous for mowing the lot this season. You've done a great job.

If you would like to join this project, let us know or if the grass is tall enough - just "mow" ahead with our appreciation.

B. Welle

## **BLOCK PARTY**

The Children's Games Committee for the 2nd annual Hiltonia Block Party is in need of felt scraps, yarn, pipe cleaners and fabric remnants. The committee plans to use these articles to construct hand-puppets for the children. If you would like to donate any of the mentioned items or are interested in working on this committee please contact Carol Gaiser 393-7689 or Terry Shields 396-2626. You don't have to be a seamstress to volunteer your time. Your help in cutting, pinning or gluing would be appreciated.

## Block Representatives Needed

We would like to thank Pam Smith of 2A Buckingham and Judy Morley of 9 Renfrew for their dedicated services as Block Representatives over the past year.

In view of their respective retirements, two more representatives will be needed in these areas.

If you would like to volunteer or discuss the responsibilities of this very important way to serve our neighborhood, please call me or Denise Mortimer (393-9705). We would really appreciate your help.
