## Looking Back with G. Kyte....

It came to my mind when I was talking to our new neighbors, the Lewis' on Cadwalader that Ken and I have all of a sudden become old timers in the neighborhood. How quickly those 10 1/2 years have gone by. Dwight, Sandra and their children reminded me of Ken and I so many years ago. When we moved to Hiltonia, we had one daughter, Randi who was 18 months old and our next door neighbors son, Sean O'Connor was 4 years old. (Now I know how Joan and Stu Anderson felt. When we moved in their children were the ages that ours are today.) Two of our other children, Amy and Bobby were born here and their births were announced in the Hilltone as were the births of at least 10 more during 1978 and 1979. The baby triangle of 1981-82 saw the Connollys' of Renfrew, the Rodeffers' of Kensington, the Butterfields' of Kensington, the Knobles' of Kensington and the Jedynaks' of Stuyvesant add to Hiltonia's numbers.

I can remember the first meeting of the reactivated Hiltonia Association which was held in the winter of 1978 in the Blessed Sacrament gym. Over 100 people showed up to find out what was going on. LARRY WELLE of Buckingham was elected president and STU ANDERSON of Kensington, BOB TOPPER of Buckingham, JOAN ANDERSON of Kensington, KEN KYTE of Cadwalader and RITA CARNEY of Renfrew were soon to join him as past presidents. Though the numbers of people at any one meeting have dwindled, we still see a lot of faces (old and new) at each meeting. From this grew many new friendships and a stronger commitment to Hiltonia. I remember meeting many people who were residents for a very long time - Dan and Irene Lyons, Edith and Norm Hartman, Karl and Kitty Hastedt, Babe and Harry Barr, Henry and Fae Schragger, Natalie and Amil Stark, and Kate and Bill Thursby. Some of these people have moved, some have passed on and still others continue to share in our enthusiasm. Our first Hilltone was published in May of 1978 under the editorship of BARBARA WELLE of Buckingham. More than 20 issues followed with editors ELLEN WRY and myself.

The next few years we sped through picnics, covered dish dinner, Easter Egg Hunts, Christmas Parties, executive board meeting, and general meetings. I can still remember sitting in Carol Gaiser's (no longer living here) kitchen on Buckingham sewing stuffed animals to give away at the Easter Egg Hunt. How about "H. O. W. " ? What fun the Hiltonia Organization for women had during our 4th of July Parade while the men in their white shirts, black pants and red sashes played their kazoos. I still remember the collection of MARY MCCORMACK'S hats as we sat and plotted this great day in PAT FLORES'S home on Renfrew and the many hours PAT FLORES, LINDA REID and myself spent making our Parade Banner which is rolled up in our attic.

One of September picnics was rained out and at last moved from the Wegner's yard to the Walton's basement only to have the day turn out to be hot and humid. Now history tells us that we had a pool party that was rained out and moved to the FISCHLER'S basement.

Who can forget when JOYCE WALUKIEWICZ of Cadwalader? Every general meeting was a feast. And how we appreciated all that effort.

Several years ago when a crew of us were in the same position as the LEWIS', we formed a common bond - one that was formed by our children and their dependency on us. We needed each other and our children benefited from this need and the energies of their mothers and fathers. The activities - Bike Safety Program, Games at the picnic, art contests, puppet show - took a lot of work, planning and time. All given with love to our children. There were at least a dozen mothers gathered at ELAINE MARTINEZ'S home on Renfrew to package and prepare for the Easter Egg Hunt. BARBARA WELLE drove to Pennsylvania to pick up cotton candy and snow cone machines so that the children would never stop eating. TERRY SHIELDS(since than moved) downed a clown costume for every picnic and CAROL GAISER left her mark on Hiltonia with her bunny costume.

We also form a unique bond in this neighborhood with the problems that come along with urban living and older homes. Some of us will recall having our front yards dug up to replace old water pipes, having the water pipes relined while we had rubbery water for quite a few weeks, having no storm windows or needing new plumbing and wiring. Each house different yet sharing common things. There were many Anderson stoves - the best that could be bought - in the neighborhood. They're fewer today. Tiles that look familiar, old bathroom fixtures and original kitchens are disappearing everyday.

We stuck out the ever rising property taxes with a lot of hope for something we've grown to love. We weathered our sidewalk crises and improved our neighborhood. We eye cautiously our neighbor, the Psychiatric Hospital. We watch with anticipation for the end of the litter and noise in the City's treasured possession Cadwalader Park for we have tried to make it better.

We donated a bullet proof vest in memory of NORM WALTON, chairperson of our Security Committee for several years. We've given out food baskets, We've donated money to Anchor House, the Trenton City Museum, Womenspace, TAWA, just to name a few. We've given of our services to the City as members of volunteer committees, boards, etc. - BOB TOPPER, STU ANDERSON, KEN KYTE, STEVE SCHRAGGER, GLENN PALMER, the late JOCK REID. This includes such things as the Zoning Board, Planning Board, Housing Inc., Welfare Board, etc.

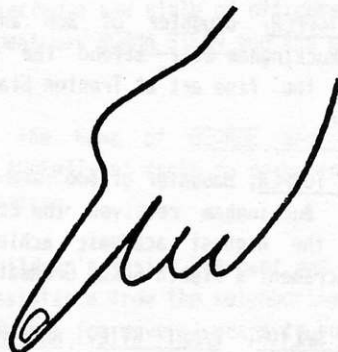

We've said good-bye. We've said hello. We became friends and we stay friends. We've grown older. We are what Hiltonia is about and we've made it what it is - more than a place to live. Let's find some time to keep on working for and with this neighborhood. Thank you DWIGHT and CAROL for helping me to recall such wonderful memories.

See you in September when we make another  
Hiltonia event part of our past.

On November 14, 1984 there was a general meeting held at the home of BILL and JEAN HARBACH of Kensington that put the wheels of motion in order to come up with a slate of officers for the new year. President RITA CARNEY'S term was coming to an end. Her other officers were SCOTT BUTTERFIELD, PAT FLORES, BETTY WALTON and BILL HARBACH. Rita was assisted by committee chairpersons KEN KYTE, MARION VOGLER, DENISE MORTIMER, LINDA REID, JEAN HARBACH, ELLEN WRY (who did two sensational issues of the Hilltone and whose work was greatly appreciated), JOAN ANDERSON, BOBBIE SHELINGOSKI, CHUCK SHELINGOSKI and BILL ANDERSON. The guest speakers for the evening were BILL LUCAS of the Trenton Police Department and DENNIS KEENAN of the Trenton Fire Department who spoke about Fire and Safety during the Holiday Season.

The Hiltonia Holiday Party was held on December 14, 1984 at the home of LINDA REID on Refrew. Everyone was asked to bring a snack and snack we did with a wide variety of treats. This was a good start to what turned out to be a Merry Hiltonia Christmas.

Not to leave our little ones out, a Holiday Party was held for them on December 23, 1984 at the home of BETTY WALTON on Refrew. Betty has hosted many Hiltonia Children's Parties. Santa arrived on time wearing his traditional red suit and a very recognizable pair of sneakers. Oh how these children are growing up. To believe or not to believe.

At last the new year began and on January 15, 1985 we elected a new slate of officers at the home of CHUCK and BOBBIE SHELINGOSKI on Buckingham. Our new president was NORMA STERN and she was assisted by BILL ANDERSON, JOE PRIEST, SUE AVERSANO and BILL HARBACH.

The next general meeting was held on March 12, 1985 at the home of GEORGE and ANNE SELF on Hilvista. The guest speaker for the evening was JEFF LAURENTI who spoke on being involved in ones community. The discussion that followed was active and informative.

Next came a some fun as Easter approached. The annual Children's Easter Egg Hunt was held on March 30, 1985 at the home of DAVE and ANNETTE SCHROTH with some assistance from the neighboring yard of STEVE and MARY ELLEN SCHRAGGER. These neighbors have donated their yards for several years to host this happy event.

The next general meeting was held on May 29, 1985 at the home of RICH and GERI HARRISON home on Kensington and was soon followed by our last event the POOLSIDE PARTY at the home of MICHAEL and REA SCALA FISHLER on Cadwalader. Though the weather did not cooperate the party went off in first a light drizzle then a steady rain. The poolside party became an indoor party. But our spirits were not dampened and all who came had a marvelous time and enjoyed all the wonderful h'deourves that were prepared by the Executive Board.

All these activities were well attended but there are still a lot of you out there that your neighbors would like to get to know. Come join us at our coming attraction and bring the people next door. The old timers would like to meet some other old timers as well as all you new people (There are many of you).

## CITY ORDINANCES

There are many ordinances on the city books. To some people they seem to be unnecessary and sometimes a pain. However, they are written with the general welfare in mind. The Hilltone has published these rules from time to time to remind people that they can upset their neighbors.

1. The speed limit in an urban or built up area in the State of New Jersey is 25 MPH. The streets in Hiltonia are wide thus prompting many to drive too fast. Be careful of our children since this is a residential neighborhood. Parents, don't let your children play in the street. It is never a safe place.

2. Dogs are required to be on a leash if they are not in their own yards. Please remember that some of us are afraid of your kind and gentle pet. Don't forget your pooper scooper when your out walking your pet. People who don't have dogs don't like to clean up your mess.

3. The gutter is not the place to throw your grass clippings or branches. The city is not required to pick these up. Bag your clippings and tie your branches in bundles that will fit in the garbage trucks.

COMING ATTRACTION  
COVERED DISH PICNIC  
SATURDAY, SEPTEMBER 7, 1985

A YEAR IN HILTONIA  
by Gloriann Kyte

The summer of 1984 began with the last Hiltonia affair of the 1983-84 year with a covered dish dinner at Blessed Sacrament School's Casey Auditorium. For the first time the children were invited to join us for dinner since there was no business meeting. In order to keep them occupied during dinner, we had a sing-a-long for them. It was an enjoyable, calorie filled evening which was planned by JEAN HARBACH.

The summer brought along a Hiltonia Yard Sale held on Hilvista on August 18, 1984. Our yard sales have always been most profitable for the participants.

All too quickly we were into Fall with our annual picnic. This year's theme was a Hawaiian Luau. The theme indicates what kind of event it was. There was plenty of Hawaiian style food, hula dancing, and colorful clothes. Also, plenty of American beer and birch beer on tap. The weather was most cooperative as were the WEGNERS' (BILL and MARIA on Buckingham) who have hosted our picnics for quite a few years. Our hostess for the day was JEAN HARBACH and a terrific job she did. I can also fondly remember washing a lot of pots that night. This affair took a lot of help by many other neighbors. Thank you to all.

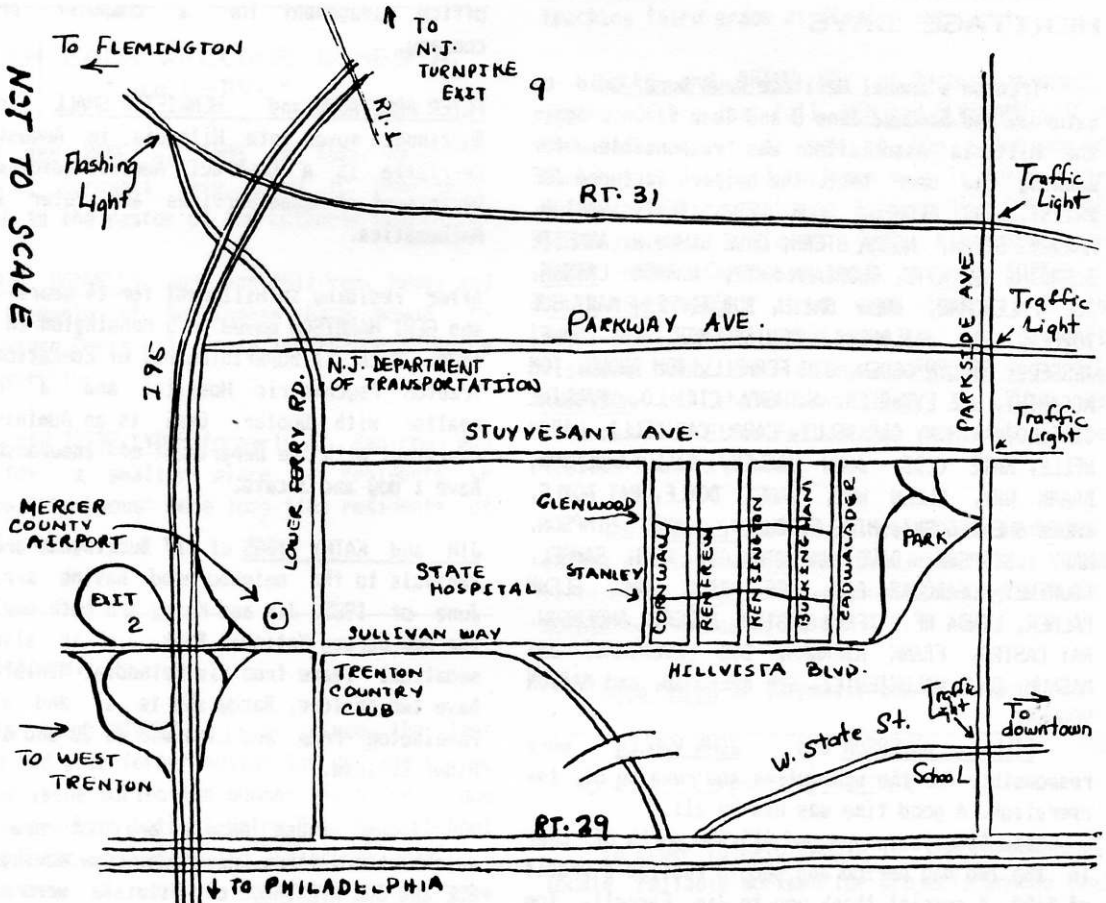

Our first general meeting for the 1984-85 season was held on September 25, 1984 at the home of HARVEY and NORMA STERN. The guest speaker for the evening was BILL KUCAS of Makrancys'. His topic was "Planting for Color in Your Garden." Not only did Mr. Kucas have lovely slices to share with us but he also was most helpful in answering questions about our gardening problems. The topic was most helpful in order to keep up our lovely yards.

By popular demand a second Yard Sale was held on October 27 on Hilvista. Once again it was a succesful event.

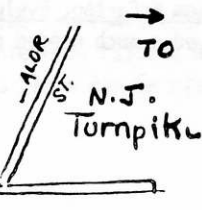

# LOCATION - HILTONIA

In August 1981 the Hilltone published a map of Hiltonia and the surrounding neighborhood. Planning a party, expecting visitors, need to give directions - here is the answer to your problems. Keep this map at your finger tips, so that you can send directions to your out of town visitors. Just include your name, address and phone number and place a star on the appropriate street location.

BILL ANDERSON and JOHN VOGLER were responsible for the scheduling and running of the operation. A good time was had by all.

The Association pumped \$15,000 worth of beer in the two day period and should realize a profit of \$450. A special thank you to Jim Farrell, Tom Brown, Tom McCarthy, Evelyn Ogden and Janet Jessel who served a much needed double shift on Sunday.

Dear Neighbors,

It's been almost a year since the last Hilltone and your former editor has decided to do this one issue during the summer. As a lot of you know I am teaching math at Notre Dame High School and this keeps me busy during the school year.

However, if any of you have some new information you would like to see in print, please let me know. The phone number is 392-6036 and I will see that your information gets relayed.

Thanks to Dwight Lewis for his help. Enjoy!

## VOLUNTEER

In order to help people in the neighborhood locate reliable workmen for projects around their homes, it might be a good idea for the association to put out a list of the craftsmen that they have used. Someone can volunteer by calling NORMA STERN (396-3361). Perhaps a form can be placed in the next Hilltone.
